

DÉSIR DU CHOCOLAT

October 2013

Désir du Chocolat
1788

Désir du Chocolat is a London-based luxury brand made up of top international chocolatiers and world class architects. It is a unique venture that seeks to fuse the traditional art of the chocolatier with the creativity of the contemporary design world.

Treat your senses to something special and immerse yourself in the Désir du Chocolat experience.

Your lust. Our passion. Désir du Chocolat.

The Désir du Chocolat Experience

Désir du Chocolat is a London-based British company.

The Désir du Chocolat experience combines the creative artistry of international designers and artists with the exceptional skills of international chocolatiers. Désir du Chocolat is luxury chocolate with a design focus, taking inspiration from the fields of architecture, design and fashion.

From a network of over 20 designers in different fields and cultures across the globe, the work of Désir du Chocolat's design team can be seen on customised edible colour prints on individual chocolate pieces, through to bespoke, professionally-designed three-dimensional chocolate works of art. At Désir du Chocolat, we strive to push the boundaries of what is possible in the chocolatiers' craft.

Using only the finest quality ingredients with carefully chosen flavours from around the world, the Désir du Chocolat selection consists of more than 16 varieties of chocolate for retail and wholesale. Selection boxes are available in several styles and box sizes.

In addition to online retail of our chocolate selection boxes, Désir du Chocolat offers design services for bespoke customisation in the following areas:

Bespoke three-dimensional chocolate sculpture

Bespoke Fantasy collection three-dimensional chocolate objects

Bespoke Art collection with customised edible prints on individual chocolate pieces

NB: All bespoke products and services are, subject to our minimum order terms and conditions.

At Désir du Chocolat, life is not like a box of chocolates; the possibilities are endless.

About Désir du Chocolat

Désir du Chocolat was established in 2010 by Patrick Klugesherz with a vision to combine the art of the chocolatier with a strong creative focus and perfection in terms of look, taste, texture and originality. With six generations of family heritage in culinary excellence and a family tradition of chocolate-making dating back to 1788, Patrick seeks to create a whole new experience in luxury chocolate. Rooted in French culinary values, invigorated with London's creative reputation, Désir du Chocolat is an ambitious journey with acclaimed chocolatiers and top class designers creating the very best chocolates in the world.
